

**BROCHURES** for each event will be available on the Web and hard copies should be with each Meeting and WEST representative well in advance of each event.

**REGISTRATION** with payment is essential and should be with the Settlement Contact person at least ten days before the start date. Refunds are possible if reasonable notice is given.

**ACCOMMODATION** is available in the Sleepinghouse (bring your own bedding) in two bed cabins and small bunk areas. The Units offer (twin beds with en-suite, bedding provided). Sometimes Settlers may offer Billets when Units are not available. There is space for camping and two caravan points. Our menu is vegetarian. We will endeavour to meet special dietary needs given good notice.

**ASSISTANCE with COSTS** may be available. Approach your Monthly Meeting Oversight Committee in the first instance. Some funding is available for travel from distant Meetings.

**CHILD-CARE** We want to encourage parents with children to have the opportunity to take part in our seminars. Check with your own Meeting for what help might be available.

**GETTING HERE** Virginia Road joins the main road to New Plymouth (SH3) about 1.5km past Virginia Lake on the NW side of the city. We can meet buses (in town) and plane (at Whanganui) with prior arrangement. Rides from Wellington or Palmerston North can sometimes be arranged. Expect to share costs.

**SOJOURNING** We welcome visitors coming to stay at the Settlement to experience life in community and our environment or for a quiet retreat or for study. Accommodation subject to availability. Expect to self-cater.

**INTERESTED in JOINING the COMMUNITY?** There are opportunities to join the community from time to time. If you are interested apply in the first instance to The Secretary, Quaker Settlement, 76 Virginia Road, Whanganui.
