

Treaty Issues Weekend

The Quaker Settlement
Whanganui
2011

From Friday 21st October dinner
at 6.30
to lunch on Monday 24th October
(Labour Weekend)

Yearly Meeting Treaty Relationships Group is facilitating this weekend

The first day will be a Treaty workshop to gain/refresh understandings of the Treaty of Waitangi in the light of the latest evidence. Those who feel they lack knowledge of the Treaty or have concerns about current directions are welcome.

The following 2 days will consider how to change our constitutional arrangement so that they give greater effect to the undertakings made in the Treaty and in particular will address the following questions:

*What values need to underlie new constitutional arrangements so that they encourage right relationships?

*How do we want to be governed to encourage right relationships?

These questions will have been considered by Monthly Meetings and we will hear of the results of those considerations. We will also consider ways of encouraging similar conversations in the wider community leading up to the Government's review of the constitution which will be taking place from 2012-2013.

TRG Marion Sanson, Douglas Wilson, Jan Hide, Murray Short, Paul Thornton

Resource People: David James, Jillian Wychel, Edwina Hughes

Assistance with costs may be available. Please ask your MM meeting Elders and Oversight Committee.
