

Young People

Children's Meeting

All children are welcome to stay with their parents in the Meeting Room during meeting for worship, if that suits them. There is also a Children's Meeting for those aged 10 and younger. While we say it starts at 10 am, in reality it is helpful for parents to bring their children to the Annex (which is located in the grounds of the Meeting House), a few minutes prior to 10 am so that parents may come into meeting for worship on time. Children are brought into the Meeting for Worship for the final 10-15 minutes before 'the rise of Meeting' at 11 am. Parents are responsible for their own children from that point. Contact person for the Children's Meeting is Sue Stover (stoverwatts@gmail.com).

Young people

All young people are welcome to participate in the Meeting for Worship. In addition, there is a monthly gathering of those aged 10 years or older. Nick-named the '10 and ups', this group – which also includes parents and other interested adults – meets at 9 am on 3rd Sundays at a local café (currently the Sierra Café, 418 Mt Eden Rd.), and then moves by 10 am to the Mt Eden Meeting House for meeting for worship, as well as a time of reflection/discussion. Contact person for 10+ group is Joel Hildebrandt (seniorjoel@gmail.com).

National events

There are gatherings for young people occurring nationally including camps for Junior Young Friends (13-16 year olds) and Young Friends (16 years and up). There are also national family-friendly gatherings including Summer Gathering (which happens over New Years each year), and events at the Whanganui Friends Settlement. **For more details about activities for families, children and young people**, speak to the 'Elder on duty', contact the Friends Centre 09 630 6834, or email the contact people noted below).

Mt. Eden Quaker Gazette

March 2017

Welcome to Mt. Eden Meeting for Worship. We meet from 10am – 11am on Sunday mornings (for additional meetings and activities, see overleaf). We gather in silence - open to the leadings of spirit. This may lead to vocal ministry (when someone stands to speak) or it may lead to a silent meeting for worship. Rather than having one Minister or Pastor, Quakers believe that there is that of God in each of us and that in the gathered silence, any of us may feel the call to speak.

From 11-11:15 we have announcements and notices, and this is followed by morning tea and hospitality – please feel welcomed to participate.

Children's Meeting and Programme for Young People: 10am -10:45am in the Annex

(the building behind this one). For more details, please see overleaf

Calendar of Upcoming Events

These events occur in February in addition to the regular events over the page.

- 2:30pm Wednesday 8 March** Atomic Resistance in Today's Nuclear Age, Assoc Professor Maria Rost Rublee (Auckland University Arts 2 Room 207-501)

- Saturday 1— Sunday 2 April** Monthly Meeting for Worship for Business in Kerikeri (Bookings required)

Special Update

Flowers for Prisoners

The flowers for Mt Eden prisoners issue which arose in the media just prior to Christmas, (but was happily resolved) was only a small part of the Quaker concern about prisons. Dating back 380 years to when many early Quakers were imprisoned for their beliefs and experienced the conditions of 17th century incarceration in Britain first hand, Quakers have been involved in prison reform. Here in Aotearoa, 100 years ago, Quakers were being imprisoned in Mt. Eden for speaking out against conscription and war.

We are currently very concerned about the wider issues of imprisonment, which punish the families of prisoners as well as the prisoners, and which is statistically overrepresented by poor and minority citizens. In particular, we wish to reverse the trend of prison becoming a 'growth industry' (currently having ballooned to 10,000 citizens incarcerated); as well as the disturbing trend, internationally, (including an attempt at Mt. Eden Prison) of having prisons run for profit by private corporations.

Quaker flowers at Christmas serve as both a small token of human fellowship and a reminder for us that our approaches to crime and punishment can, and need to change.
